PROFESSIONAL SUMMARY

MCA graduate and Java Full Stack Developer with hands-on experience in Java, Spring Boot, JDBC, MySQL, HTML, CSS, JavaScript and React. Experienced in developing web applications, REST APIs and database-driven systems. Passionate about software development and continuous learning.

SKILL

Technical:

- **Programming Languages:** Core Java (OOPs, Exception Handling, Multithreading, Collections, Stream API)
- **Web Technologies:** HTML, CSS, JavaScript, Bootstrap, Thymeleaf, React
- **Backend Technologies & Frameworks:** Servlets, JSP, JDBC, Spring, Spring Boot, Hibernate
- **Database Management:** Oracle, SQL, PL/SQL
- **Cloud Technologies:** AWS (Basics)
- **Development Tools:** Eclipse, Visual Studio Code, Spring Tool Suite
- **Version Control:** Git, GitHub, Maven, Postman

CERTIFICATION

- Full Stack Java Development Training – Naresh IT (Ongoing).
- Java Internship – OCAC (Odisha Computer Application Center).
- NPTEL Certification in Cloud Computing, Internet of Things (IoT), Programming In Java.

PROJECTS

Student Management System

11/25 – 12/25

- **Technologies Used:** Core Java, JDBC, Servlets, Spring Boot, Spring MVC, MySQL, Thymeleaf, Bootstrap
- **Description:** Developed a Student Management System that enables administrators to add, update, delete, and view student records efficiently. The application leverages Core Java and Advanced Java concepts such as JDBC and Servlets, integrated with Spring Boot and Spring MVC to ensure a clean separation of concerns and smooth request handling. Thymeleaf is used for server-side rendering of UI pages, along with Bootstrap for a responsive and user-friendly interface. Data is stored and managed in MySQL using Spring Data JPA for performing CRUD operations

Banking Management System

11/24 – 03/25

- **Technologies:** Java, Spring Boot, Spring MVC, REST API, MySQL, Thymeleaf, HTML, CSS, Bootstrap
- **Description:** Developed a Banking Management System using Spring Boot, Spring MVC, REST APIs, Thymeleaf, Bootstrap, MySQL, and Spring Data JPA. Implemented user authentication, account management, deposit/withdrawal transactions, and transaction history tracking with a responsive web interface and efficient database integration. Followed a layered architecture approach to ensure scalability, maintainability, and clean separation of business logic and data access operations.

EDUCATION

Master of Computer Application

Bhubaneswar, Odisha

GIFT Autonomous, Bhubaneswar

2023 – 2025

- CGPA: 7.5 / 10

Bachelor of Science (BSc)

Puri, Odisha

Swadhin Residential College, Nimapada

2020 – 2023

- CGPA: 8.92 / 10

DECLARATION

I hereby declare that all of the details furnished above are true on the best of my knowledge and belief.
